CLAUSES INCORPORATED BY FULL TEXT

252.204-0001 LINE ITEM SPECIFIC: SINGLE FUNDING. (SEP 2009)

The payment office shall make payment using the ACRN funding of the line item being billed.

(End of clause)

252.204-7006 BILLING INSTRUCTIONS (OCT 2005)

When submitting a request for payment, the Contractor shall--

(a) Identify the contract line item(s) on the payment request that reasonably reflect contract work performance; and

(b) Separately identify a payment amount for each contract line item included in the payment request.

(End of clause)

CONTRACT DATA REQUIREMENTS LIST <i>(1 Data Item)</i>										
The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Department of Defense, Executive Services and Communications Directorate(0704-0188). Respondents should be aware that not withstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.

16. REMARKS BLOCK 4: The CFSR reporting level will provide funding requirements and time-phased detail at the CLIN level for programs with multiple funding elements. When there is more than one CLIN, a total program roll-up is also required. All time-phased data will be prepared such that it is grouped to provide visibility for each Government fiscal year applicable to the period of performance. If the program is incrementally funded, it may be necessary for the Contractor to provide monthly increments at the beginning of the program or when EAC changes and/or contract modifications are implemented. The Contractor will identify the components of Termination Liability and Open Commitments in the notes section of the CFSR. The Contractor shall submit a quarterly CFSR (DD Form 1586) under this task order, unless an SRW Technical Support task order exists under which CFSRs for all task orders shall be delivered. The CFSR requirements for each TO shall be met in this single submission, as all information for each TO shall be included in CDRL A001 required herein. The CFSR requirements shall be broken out by TO, as well as rolled up at the contract level. BLOCK 9: Distribution Statement D. Distribution authorized to the Department of Defense and DoD contractors only. Reason: To protect technical/operational data or information. Other requests shall be referred to JTNC JTN PO. BLOCK 12: First submission shall be NLT 12 working days after the first accounting month subsequent to the Authorization to Proceed, delivered under this task order, unless an SRW Technical Support task order exists under which CFSRs for all task orders shall be delivered. BLOCK 13: Subsequent submissions will be quarterly, NLT 12 working days after the close of the contractor's accounting quarter for March, June, September, and December, delivered under this task order, unless an SRW Technical Support task order exists under which CFSRs for all task orders shall be delivered. BLOCK 14: Delivery of the CFSR is in accordance with the SOW.
